Excitement is in the air at the Wasco Union Elementary School District as administrators and staff prepare for dual ribbon cutting ceremonies on Tuesday, July 30.

The first ribbon cutting ceremony will take place at the new James Forrest Elementary School on Margalo at 9 a.m., and the second ribbon cutting will happen at the new Richard Reding gymnasium at Palm Avenue Middle School at 10 a.m. that same morning.

According to Richers, construction is complete and the only thing not ready is the gym floor due to the striping. "But it will be ready on Tuesday," he said.

"All the supplies are ordered and at the sites," Superintendent Kelly Richers said.

At Tuesday night's board meeting, Richers announced the new hires for the 2019-2020 school year, with the Back to School Breakfast Thursday, Aug. 8, in the Palm Avenue gym at 8 a.m. New teachers will be presented at that time.

Assemblymember Rudy Salas hosted a back-to-school Stuff the Bus event in Wasco on Friday morning, helping local school children get prepared for the upcoming school year. The event was held in the Walmart parking lot and residents were invited from 9 a.m. to noon to donate backpacks, pencils, paper, binders and other school supplies that students will need.

"I'm just a Wasco boy and I have to give back to my community. I love backing my city whenever I can. If that means picking up trash if needed, I'm there."

Born and raised in Wasco, Jesus Vicent Luna, owner of MV Autoworks Collision Center, is an independent small-business owner who loves to help his neighbors.

In fact, Luna most recently donated \$1,000 to the Orange Heart's Fourth of July fireworks event.

In addition, every year Luna donates turkeys at Thanksgiving, donates to Wasco High, Toys 4 Tigers, the Bengals and wherever help is needed.

Luna is a self-made business owner.

"My parents were both farmworkers," he said. "My father retired out of Weeks Roses, and my mother worked at Paramount Farms."

"My parents taught me to be honest, humble and a hard worker," he said.

Luna was a criminal justice graduate of California State University, Bakersfield, and he is an old high school friend of Orange Heart's Orquidea Ocampo.

"We were in several of the same classes together at Cal State," Luna said.

His passion from a young age has been with cars. "I had a lot of toy cars when I was a kid," Luna said. "I remember putting primer spots on a white car I had and I fell in love with that look. Every time I fix a car,

Recently on the Assemblies of God website, a story appeared about a former pastor at Canyon Hills Church in Wasco handing out dog food on his visits to homes.

Pastor Emmanuel L. Hernandez expanded his evangelizing door to door, giving away baggies of free dog food along with his message.

Hernandez offered to pray with people and handed out a baggie of free dog food to everyone he prayed with. People asked then asked which church he came from, and many started attending.

Fernando Segura has continued the tradition

as pastor of the Wasco Canyon Hills for the 18 months, having joined the church in May 2018.

"It sounds strange, but it opens huge doors for us to speak to people about the gospel, and they show up to church," Segura said. "It's unorthodox, but you see the appreciation on their faces. For a person on the streets, it means the world to them to feed their animal."

Segura mentioned that many homeless people have dogs with them as companions, so the church packs the dog food into smaller bags.

In addition, 2018 was a year full of changes for Segura and his wife of three years, Cecia, with the

Arrests in Highway 46 shooting

On Saturday, July 13, a shooting took place in the 2600 block of Highway 46, leaving a 46-year-old male shot in the buttocks. Deputies from the Wasco, Buttonwillow and Delano substations of the Kern County Sheriff's Department arrived at the parking lot where the shooting took place.

Now two men have been arrested in the

crime.

Jesus Barrios, a 27-year-old-male from Wasco, was a person of interest for deputies as the suspected shooter. Several warrants were issued, one for his arrest and two to search his residence and a family member's residence.

Barrios was picked up on Monday, July 15, after being spotted driving on 7th Street.

He was detained without resistance.

In Barrios' home, not far from where he was arrested, deputies confiscated 340 grams of marijuana, scales, \$1,600 in cash, surveillance cameras and multiple cell phones. They found a shotgun linked to Barrios in the family member's home, the sheriff's office said.

According to Deputy Peter Martinez

of the Wasco substation, another arrest, that of Uziel Fierro on July 19, was related to the July 13 shooting. Fierro was arrested for attempted murder, assault with a firearm, conspiracy to commit a crime and participation in a criminal street gang. He was booked into the Kern County Jail.

Birthday girl Mary Ellen Rexusu with Marlene Swan and Wasco Mayor Alex Garcia.

100 years young for Rexusu

A local resident celebrated her 100th year on Friday afternoon at Grace Community Church with a birthday celebration surrounded by family and friends

Mary Ellen Rexusu, a long time resident of Wasco now residing in Shafter, was born on July 21, 1919, in Alton, Mo.

A full house in the recreation room at the church visited with Rexusu and reminisced about the past years, while celebrating the present, too. Rexusu was born to parents Charles and Pearl Boyd and was an only child, but her parents welcomed her friends as their own family. Rexusu was educated in Missouri schools and taught third grade for seven years. In 1947, she answered an ad in a Memphis newspaper and came to Wasco on the train to teach third grade at Wasco Elementary School and taught there until 1954.

Rexusu said that she remembered that day in August when she arrived in Wasco

“because it was the hottest day of the month.”

In December 1950, she went to a dinner dance on a blind date where she met Ray Rexusu. They were married on June 1, 1950. Five years later, they welcomed son Michael into their family. She was able

to help Ray at Rexusu Studio and participate in Mike's activities as he grew up. Mary Ellen accepted a job in the English Department at Wasco High School after Mike left for college in 1973 and enjoyed working with the staff and students there for 13 years. The Rexusu family grew a little more with the birth of grandson Jacob in 1982. His visits and activities kept their retirement years lively. Sadly, she lost Ray in 1999 and Michael in 2015. Rexusu is currently residing at Carrington of Shafter. Mary Ellen said that she really enjoys her new home at Carrington. “They are taking very good care of me. I really love it there.”

Mary Ellen has been very active in her community. She enjoys membership in the Wasco Rose Society, Historical Society and Grace Community Church. She is also a member of the Wasco Woman's Club and PEO Sisterhood for over 50 years. Mary Ellen served as grand marshal of the Wasco Rose Festival in 2005 and was honored again on Saturday when Wasco Mayor Alex Garcia presented her with a proclamation from the city designating this week as Mary Ellen Rexusu Week.

Rexusu was born in Alton, Missouri, in 1919.

Rotary backs Ronald McDonald

Scarlett Sabin and Carol Hamilton of the Bakersfield Ronald McDonald House, presented an updated slide show of the newly renovated house to the Rotary Club on Monday.

“There were 500 people at the grand re-opening,” Sabin said.

The assistant superintendent of the Wasco Union Elementary School District, Brad Maberry sits on the Ronald McDonald board of directors.

Director Scarlett Sabin, along with her coworker Carol Hamilton, presented a slide show of the construction and completion of the house, which is located at 420 34th St. in Bakers-

field.

Sabin said there is currently a waiting list for use of the House. She added that there is a washer and a dryer available and two showers for two families.

“There are no televisions,” Sabin said. “That is so guests will interact with each other.”

The Wasco Rotary donates to the Ronald McDonald House on a regular basis.

In order to be able to use the facility, you must live 25 miles from the Bakersfield Ronald McDonald House and according to Maberry, there have been several Wasco families that have used the facilities.

Maberry started the

Getting ready to shine

Candidate for the title of Wasco Rose Queen continued preparation last week for the pageant on Thursday, Sept. 12. The girls practiced dance moves for the program and got together for a group photo in the Wasco High auditorium last Thursday.

Reserves dream of winning

MICHAEL SCHROEDER
Wasco Tribune

The Wasco Reserves are looking to end a long losing streak over the next week.

That string goes back to July 8 when the team beat the cellar-dwelling California Whiptails, 5-3, just prior to the All-Star break.

And they'll have plenty of chances to do it at home. Only one game is on the road starting tonight, Thursday, at 7 p.m. against the Monterey Amberjacks.

That one road game is only down the highway at Bakersfield on Friday, against the Bakersfield Train Robbers at 7:45 p.m. (thanks to Sam Lynn Ballpark's unique configuration).

Then it's 7 p.m. every night at the Ballpark: the High Desert Yardbirds of Adelanto on Saturday, Bakersfield on Sunday, the Monterey Amberjacks on Monday, the Tucson Sagueros

on Tuesday and Monterey again on Wednesday.

Bill Moore's team is hoping to put some more numbers in the win col-

umn before the end of their inaugural season on Saturday, Aug. 3 at home. As of Tuesday night, they were 15-37, ahead of the Whiptails at 9-42.

Stuff the Bus benefits students

From Page 1
Community members collected the supplies that will go directly to Wasco's students attending the elementary and junior high schools in the Wasco Union School District.

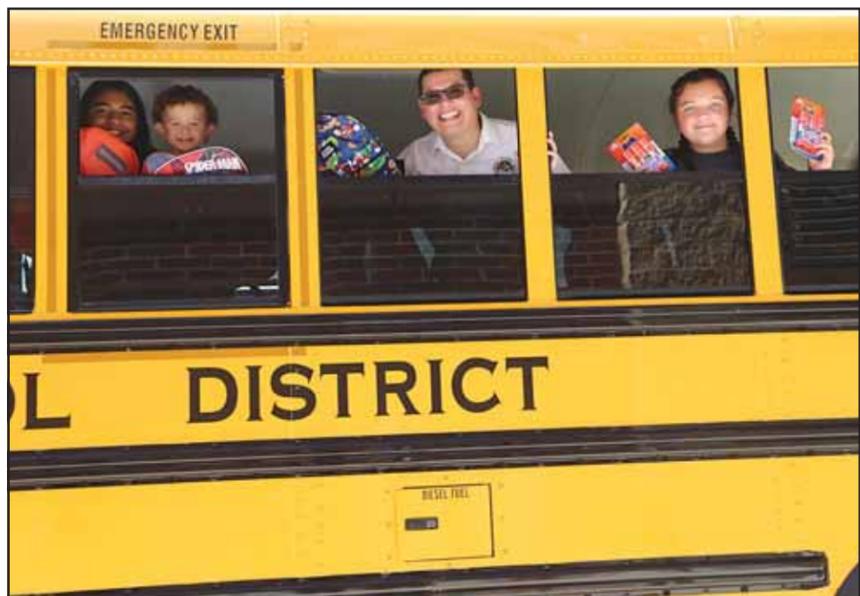

Members of the Wasco City Council were on hand, as well as a number of volunteers from different organizations to aid in the collection and packing of the items. A school bus was filled with the collections, which will be distributed before the school year begins to area students.

"I think this event is such a blessing to the kids and the whole community really," said Alexis Martinez, a mother of two who says that it is a challenge to outfit her kids with all they are going to need for the school year. "By the time you buy school clothes, shoes, backpacks, paper and pencils, it can get really expensive. This is awesome to help the families and kids out like this."

"By working together, we were able to provide a lot of students in Wasco with supplies that are essential to be successful in

school," Salas said.
The annual event is one of many Stuff the Bus events Salas and his staff hold throughout the 32nd Assembly District. They partner with the cities' local organizations and schools, giving the kids a great head start to the school year. "When our students succeed, it benefits the entire community," he said.

Salas thanked the families and people who helped make the event such a success and for their generosity in giving back to the community to make a difference for young students.

OBITUARIES

Letha Bean
Nov. 15, 1945 —
July 20, 2019

Letha Delane Bean was born on Nov. 15, 1945, in Maywood, Calif., to Dred Bean and Eva Tryon. She attended Western High School, which was a new high school at the time in Tulare. After she left school, she worked with other family members in the fields of Hollister, Eureka, Turlock, Tulare, Tipton, and Pixley harvesting all kinds of California crops.

with Billy Lloyd Gentry, produced three more children; Sandra Gentry, Timmy Gentry and Kenny Gentry. The seven of them would live in several locations, as Billy was hired as a farm hand in various locales. Letha kept close ties with Billy for the remainder of his life until early 2019, when he passed away.

Letha was a big fan of the Los Angeles Dodge-

ers, sporting her Dodgers jacket as she watched games avidly and never ceased to shout out during home runs as well as bad umpire calls. And in her younger days, she attended her brother, Johnny Bean's, karaoke parties, dancing through the night with family and friends.

She enjoyed going to second-hand stores with her daughter, Brenda, and her mother, Eva. The three of them would scour through several second-hand stores in a given day, looking for all of the hidden gems that they could.

Letha always enjoyed spending time with her sons and daughters, and she revelled at seeing her grandchildren during holidays and family get-togethers. She was always amazed at

how fast they had grown and how smart they had gotten each time she saw them. They would gather around her during Christmas mornings, tearing open their presents with wrapping flying everywhere.

And at family gatherings at her home, Letha and her sisters told nonstop stories of their youthful antics. Having shared a hard childhood together, the siblings all relied on each other's company and closeness as children to keep themselves safe and accounted for. And they also got into quite a bit of mischief.

Letha spent the remainder of her life in Wasco and passed away peacefully in Bakersfield, California, on Saturday, July 20, 2019.

Letha is survived by her siblings and their spouses,

Jeanette Garrison and Darrell Smith, Mavis Knox and Angel Sandoval, John and Julie Bean, Richard and Gidget Bean, Cheryl Welch and D.J., and Chris Wells and Rose Levine; her children and spouses, Johnnie Berumen and Misty Graves, Brenda Berumen and Fred Herrman, Sandra Gentry and Mike Swanson, Timmy Gentry, and Kenny and Kelly Gentry; her nieces and nephews, Laura Wenn, Michael Williams, Raymond Williams, Sheldon Williams, Michelle Rush, Robert Berumen, Sherry Underwood, James Cobb, Melissa Knox, Stacy Welch, Tony Welch, Bruce Bean, Shirley Hinslea and Jennifer Bean, Alex Bean, her grandchildren, Brittany Berumen, Johnny Lee Berumen, Austin Brakebill, Car-

son Gentry, Freddie Posey and Nellie Posey; and great-grandchildren, Alexis Berumen, Sydney Berumen, Addison Berumen, Brody Berumen, Brae Berumen, Bailey Berumen, Bree Brown and Rachel Rae Berumen, and her dog, Molly.

Services will be held Thursday, July 25, at Peters Funeral Home, 844 E. Le-rdo Hwy., Shafter, at 1 p.m., followed by a graveside service at the Shafter Cemetery, 18662 Santa Fe Way.

COUCH'S CORNER

Who is responsible when the power fails?

SUPERVISOR DAVID COUCH

This week I would like to remind the community about different steps being taken to prepare for the 2019 wildfire season, especially power outages. Even though you may not be near a fire, the possibility exists that power could be shut off where you live due to the interconnectivity of the power grid. Being prepared for power outages is always your best defense.

The California Public Utilities Commission ensures consumers have safe and reliable utility services at reasonable rates. By regulating privately owned utility companies, CPUC protects consumers against fraud and advances environmental protection. Privately owned electric, natural gas, telecommunications, water, railroad and passenger transportation companies within the State of California fall under the oversight of the CPUC.

Senate Bill 901 requires electrical companies under CPUC's jurisdiction to submit annual wildfire mitigation plans to de-energize power lines during major windstorms. In February, Wildfire Mitigation Plans were submitted by Pacific Gas and Electric Company, Southern California Edison, San Diego Gas and Electric, Pacific Corp, Bear Valley Electric Service and Liberty Utilities.

At CPUC's May 30 voting meeting, the commission approved the six proposals

containing elements required under SB901. Public Safety Power Shutoffs occur as a last resort measure to prevent deadly utility-caused wildfires during high winds. State regulations require companies to notify vulnerable populations, first responders and the public before such event takes place.

More importantly, let me make clear that the Public Safety Power Shutoff program is not a Kern County program and does not involve the operations of the Kern County Fire Department. Utility companies determine when to conduct their PSPS program.

When a utility company such as Southern California Edison or PG&E implements a Public Safety Power Shutoff, power outages may disrupt communications, prevent the use of medical devices and halt public transportation dependent on electricity. Power outages may close retail businesses, grocery stores, gas stations, ATMs, banks

and other services.

In District 4, no power outages related to a PSPS have occurred at this time. Utilities are required to work with the California Office of Emergency Services to integrate warning programs to ensure the public is notified before, during, and after emergencies. Also, utility companies are required to coordinate with local, county, and state officials so that we can be better prepared.

In the case of a power outage, remember to keep freezers and refrigerators closed, only use generators outdoors and away from windows, have alternative plans for refrigerating medicines or using power-dependent medical devices, and disconnect appliances and electronics because power may return with temporary spikes that can cause damage.

Families can prepare for power outages by preparing power outage kits, talking to their medical provider about a backup plan

for medical devices powered by electricity and refrigerated medicines, installing carbon monoxide detectors with battery backups on every level of your home, signing up for local alerts and weather reports, and providing flashlights with extra batteries for every member in the household. Camp stoves, generators and charcoal grills should always be used outside to avoid carbon monoxide poisoning. Also, remember never to use a gas stovetop or oven to heat your home.

Outage supply kits include a first-aid kit, bottled water, nonperishable food and an external rechargeable battery pack.

In the future, the District 4 office will keep the community informed of Public Safety Power Shutoffs implemented by utility companies. Although power outages disrupt the lives of the public, county officials are dedicated to providing residents with the necessary information and safety that helps them survive until restoration of power. Although Kern County doesn't have authority over utility company's PSPS program, our partnership with the CalOES and CPUC helps hold utility companies accountable during wildfire season.

Have any questions or concerns? Please contact the District 4 office at 661-868-3680 or email district4@kerncounty.com

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the Property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the Property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the Property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this Property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the Property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. PASTOR'S CORNER

We can share some of our own grace

PASTOR JIM NEAL

"But Noah found grace in the eyes of the Lord." --Genesis 6:8

I am not going to bore you with how I happened upon this verse concerning the time of the great flood and righteousness of one man; however, what struck me was the concept of grace. That word is used in so many ways and situations today, the meaning can become quite convoluted and even watered down.

Many say "grace" before a meal, which means, of course, the giving of thanks. When it comes to bills or insurance policies, we are afforded a grace period before a service or policy is shut off or is cancelled, indicating an act of gratitude or pardoning, and, of course, many young girls/women are said to have "grace" and charm, point-

ing to their social decorum.

I looked up the word "grace" in my old college Webster's Dictionary (and I do mean old) and was amazed at the amount of literary attention that is given to this word. I was equally amazed at the various contexts in which this word is used in our society. But what is God saying of Noah when it says that he found "grace" in the eyes of the Lord?

Here as in most cases throughout Scripture, the broad theological meaning of the word grace means "God's unmerited love and favor." Although Noah was not a perfect man by any stretch, he was a man who

found favor in the eyes of God, and because of this unmerited favor, God was able to preserve His creation for which we all should be grateful.

It is easy to get all "theological" when we consider people like Noah, Abraham, David, Peter, Paul and others of Scripture when considering the grace of God; however, what about you and me and the millions of others around the world?

Aren't we also in need of that grace and unmerited favor? Absolutely. Ephesians 2:8 & 9 says, "For by Grace we are saved, through faith..."

I would like us to consider the human

side of grace for a moment. I believe that not only are we in need of God's unmerited love and favor today, but someone in all of our lives is in need of OUR unmerited love and favor. I have no idea who it is in your life, but I have a few in my life that are in that need, and it is my intention "by the grace of God" to give it to them unconditionally. This is one of those areas that it takes the grace of God to fulfill our human intentions.

Just as Noah found grace in the eyes of God; who is it that needs to see, sense and know your grace in their lives? Remember the words of Paul: "I can do all things through Christ who strengthens me." (Philippians 4:13)

Jim Neal is pastor of First Southern Baptist Church in Shafter.

Not only are we in need of God's unmerited love and favor today, but someone in all of our lives is in need of OUR unmerited love and favor.

Our sales representatives are pleased to help you compose the most effective ad at a minimum cost. Here are two key points to remember about your ads:

1. If it's an item you're selling, remember to include as much information as possible. The more potential buyers know about the item you have for sale, the more interest they have in calling you.

2. Our reputation for Classified Advertising results is excellent. But not every potential buyer will read your ad on the same day. This simply means that you order your ad for two consecutive issues, but should you get the results you desire before the ad has expired, you may call and cancel the ad and be refunded for the days the ad did not appear. Except for GR -- no refunds or changes accepted.
