Vol. 44 No. 21 • Wasco, California

New Rec and Parks District board member appointed

TONI DEROSA
Wasco Tribune

Palm Avenue Middle School Principal Oscar Luna was appointed as a new board member to the Wasco Recreation and Parks District board.

Sharon Sharp was also reappointed to the Wasco Recreation and Parks District Board. Luna and Sharp will serve four-year terms ending Nov. 30, 2025.

City Manager Scott Hurlbert compli-

WASCO

mented Finance Director Isarel Perez-Hernandez on being selected to serve on the California Society of Municipal Finance Officers. Hurlbert said that Perez-Hernandez was specifically requested by the county to serve on this board.

The City Council unanimously approved the Notice of Acceptance and authorized the city clerk to file the Notice of Comple-

tion of the Ag Well Drilling project.

Also, the council unanimously approved the Notice of Acceptance for Well #14, which authorized the city clerk to file the Notice of Completion for the well Site Development project.

Sgt. Charles Shinn asked residents to provide any information they may know on a fatal shooting Nov. 15 in the early morning. Neither the victim nor the suspect have been named.

Palm Avenue Middle School Principal Oscar Luna was recently appointed as a new board member to serve on the Wasco Recreation and Parks District.

Shafter makes a stop on defense.

Generals' season ends with loss in quarterfinals

JAMIE STEWART
The Shafter Press

The Shafter Generals traveled to Boron on Friday night to take on the Bobcats with a trip to the Division V semifinals on the line. Shafter gave the Bobcats a battle but Boron was too dominant when it counted to beat the Generals 50-33.

The Wasco Tigers also lost in their playoff game to Frontier this

SHAFTER

past week.

Boron scored early and often in the first quarter, with the Bobcats' offense scoring at will on a Shafter defense that struggled to keep the Boron offense off of the field. The opening quarter saw the Generals make several mistakes on defense, allowing the Bobcats big runs, as

well as a couple of long pass plays, enabling the Bobcats to take a 20-0 lead in the first quarter.

With Shafter trying to get back in the game, quarterback Tyson Dozhier led the Shafter offense on a long drive at the end of the second quarter, with Dozhier scoring for the Generals, cutting the lead to 20-6.

New trash collection service advances at council meeting

JAMIE STEWART
The Shafter Press

The City Council approved a proposal by American Refuse for the company to service the city residents for trash collection.

Earlier this month the council had agreed to use American Refuse for trash collection, but did not formally approve the resolution.

With the enacting of SB 1383, the state of California requires all residents to move to a three cart system that is aimed at reducing the amount of waste that gets taken to local landfills.

With the new regulations that will take effect in March 2022, all residents will have three different carts for their residences; a blue cart, a green cart and a black cart for household trash.

THANKSGIVING

The office of the Shafter Press and Wasco Tribune will be closed **Thursday, November 25th and Friday, November 26th** to celebrate Thanksgiving with our family and friends.

We will be open for regular business Monday, November 29th at 9am.

We wish everyone a blessed Thanksgiving!

Residents view concepts for beautification project

TONI DEROSA
Wasco Tribune

The city held a community meeting on Wednesday, Nov. 10 to present the results of a recent online streetscape survey.

Concept design renderings were taped to the walls around the room so attendees could view the different ideas.

The renderings included parklets - small parks and public spaces - along with several ideas for optional elements that could be included in those spaces.

The survey was for the beautification of

WASCO

downtown 7th Street and the park located at the southeast corner of 7th and F Street. The city would like to recognize local veterans and rename the park, Veterans Park.

There were several ideas generated from the survey and concept designs that workshop attendees had the opportunity to comment on. Some of the ideas included creating active spaces for fitness, or games, creating spaces for public art and commu-

Wings ‘n’ Wheels drew thousands to Shafter

JAMIE STEWART
The Shafter Press

The Minter Field Air Museum held the 4th annual Wings ‘n’ Wheels event at Minter Field on Saturday, drawing thousands from all over the county.

The event returned after a hiatus because of the health and safety restrictions due to the covid-19 pandemic. According to the museum’s President Ronald Pierce, the event is the main fundraiser held by the organization, and this year was the biggest and best yet.

“It was great to see all of the people from all around Kern County. It keeps getting bigger every year,” Pierce said.

A major highlight of the event is the vast array of aircraft on display, from vin-

SHAFTER

tage military aircraft, to modern and sleek planes. Thanks to the Golden Age Flight Museum in Bakersfield, plane enthusiasts were able to get a look at a piece of aerospace history with a Russian Antonov2 plane that held the title of largest biplane in the world for quite a few years. This plane can seat 12 passengers and is able to land even if the plane loses its engine. The air speed is so slow in the aircraft, with a cruising speed of 35 mph, the plane can lose power, put its wings out, and descend much like a parachute falling to the earth, able to land safely.

The event attracted a large number of locals, but also saw people from all over the state traveling to Shafter to see this special event.

“I saw a post about the event on Facebook and knew that we had to come and check it out,” said Emily Jansen, who had taken her two children to the event. “My husband and I are huge airplane fans, and they have fun things for the kids as well, so this was really a no-brainer. I love this show, it is awesome.”

In addition to the assortment of aircraft on hand, the museum also had a car

Some of Shafter’s musicians were on hand as part of the Shafter Big Band.

This plane stirs memories of a bygone era.

show at the site, drawing everything from antique cars, modern sports cars, to military vehicles and tractors. There was also a variety of food at the event, as well as vendors selling everything from pet supplies to baked goods.

Two Bakersfield teen sisters, Lucie and Cayenne, were signing copies of AviNation magazine that features their article “How to turn an idea into an airplane.” They were answering questions and letting the attendees check out the Pietenpol Air Camper Airplane they are building.

This year’s event also included a kids’

corner with a petting zoo and other activities.

R2D2 was also wandering around the complex, posing for pictures with the kids, those young and even more that are “young at heart.”

For the more adventuresome attendees, there was also a chance to go up in the sky in a biplane, provided by Kern Aviation, who was giving people rides around the airport.

“This event was a huge success and we can’t wait to see what we can do next year, to make it even bigger and better,” said Pierce.

New trash collection service advances at council meeting

From Page 1

The council had an option that would have had American Refuse service the city residents for the green waste and recycling materials and the city would retain the regular trash collection service. They did not go with this option.

The option that was approved has American Refuse servicing the complete trash collection needs, including regular trash cans. This would mean the city would no longer be collecting waste in the city.

Public Works Director Michael James said with the proposal submitted by American Refuse, the cost for Shafter residents would be about \$27 a month for the collection service per household. The cans would be picked up at the curb in front of the residences, ending the alley service for all residents.

James also said that the residents would be informed of these changes and there will be two workshops for the public to explain what these changes will mean to residents, including what trash will be picked up.

American Refuse will offer a free bulky waste service for residents once a week. The resident would need to call American Refuse to schedule the pickup and the company would pick up the item or items free of charge. These items include mattresses, furniture and appliances.

James also said the state did extend the deadline for implementation of the plan, giving cities and extra three months to get these plans in place. The deadline was moved from January 2022 to March 2022.

Council member Pete Espinoza asked Jeff Martin, of American Refuse, where residents would be expected to keep their cans when

not at the curbside for pick up. Martin said residents would be required to move their cans within 24 hours of pickup service, rolling the cans away from the curb and stored on their property where it is not a nuisance.

Some residents voiced concerns over the changes.

“I am currently sharing a 300 gallon can and it is full all of the time,” resident Colleen Diltz said. “The size of the individual cans are going to be very restrictive on how much we will be able to dispose of. Is it going to end up costing me a lot more money for the same service?”

Pam Sutton, another resident, was worried about the logistics.

“I don’t think I will be able to move a trash can by myself,” Sutton said. “I don’t even think I will be able to keep my cans and the different kinds of trash

Public Works Director Michael James updates the council on SB 1383.

separated. It seems like a whole lot of trouble.”

There will be a public workshop on Nov. 30 to inform residents about the local impacts of the new regulations and the current compliance action plan, James said. There will be another workshop on Jan. 25 to talk about specific services and charges.

Residents can contact James at Public Works at 661-746-5002 with any questions or concerns.

Residents view concepts for beautification project

community gathering and designating areas for outdoor dining.

The plans included new drought-tolerant landscaping and low maintenance hard-landscaping throughout the downtown area.

The concept designs presented at the meeting were laid out to enhance the aesthetics and function of the downtown 7th Street corridor, while being water efficient and simple to maintain.

Under the exhibits are the following descriptions:

Exhibit 1: The concept plans for 7th Street Park include calling it Veterans Memorial Park, flagpoles and new LED sign at the corner. The clock tower may be relocated to the park. The park would include a small park area that includes turf “sniff zone” and dog drinking fountain with doggy bag pickup stations and park mulch area with dog agility equipment. Picnic tables and seating provided and Veteran’s turf area could be a demonstration garden rather than turf.

Exhibit #2. (Optional Element) Parklet A. The blue square area could contain a youth-friendly element like a swing or other small play equipment. The smaller square

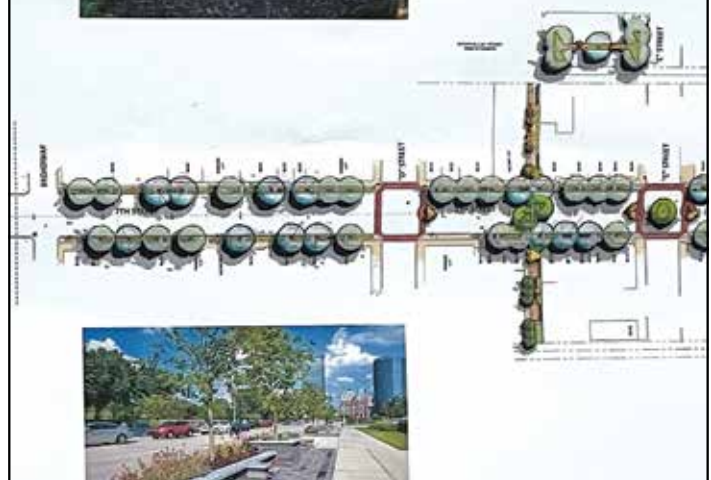

Exhibit 3 shows concept plans for 7th Street highlights.

areas could be a place for a small business kiosk and/or seating/eating areas.

Exhibit #3. The concept plans for 7th Street Park highlights the following: Trees are strategically placed so they are not directly in front of any business doorways. Sidewalk paving treatment is strategically designed to be low maintenance and to guide pedestrians and shoppers to the front

Exhibit 2 demonstrates an optional element for Parklet A.

doors of businesses. Informal narrow seat walls will be scattered throughout. These are not benches and will not lend themselves to long-term loitering or sleeping.

Exhibit #4. Parklet “A” is a plaza concept using the vacant property to the east of the Pokers Pizza site. The city does not currently own this property. Parklet “B” is the pedestrian alley that connects 7th Street

to the City Parking Lot on F Street across from the Sheriff’s Office. Parklet “C” runs in the alley on the south side of 7th Street next to La Cocina El Pueblo Restaurant and Parklet “D” is the pedestrian alley that connects 7th Street to the City Parking Lot on E Street adjacent to the VFW building. Each of these parklets includes spaces that could be used in a variety of ways.

Man dies after shooting on 2nd Street Monday

TONI DEROSA
Wasco Tribune

An unidentified man has died after a shooting Monday morning on 2nd Street. The Kern County Sheriff’s Office depu-

WASCO

ties reported to the scene of a shooting in the 2100 block of 2nd Street in Wasco. When the deputies arrived, an adult male

victim, suffering from multiple gunshot wounds to the legs was found. He was taken to a local hospital where he was pronounced deceased.

The identity of the victim was not con-

firmed by deputies by press time. A suspect has also not been confirmed.

Anyone with information is asked to contact the Kern County Sheriff’s Office at 661-861-3110 or Secret Witness at 661-322-4040.

Woman's Club members support annual Lamont fundraiser

TONI DEROSA
Wasco Tribune

Saturday was the official beginning of the Christmas holiday season as the Lamont Woman's Club held its annual Holiday Splendor event.

Due to the virus, parties, fundraisers and gatherings were canceled during 2020. This year, many organizations are beginning to bring back the events and this holiday season is seeing a resurgence of events and fundraisers.

Holiday Splendor was held at the Bear Mountain Parks and Recreation District on San Diego Street in Lamont on Saturday, Nov. 13.

Traveling to the event

WASCO

from Wasco were Mae Keeter, Marlene Swan, Jill Drescher, Chris Gibson and Toni DeRosa.

The room was decorated in red and white in celebration of the upcoming holiday season. This is the Lamont Woman's Club's biggest fundraiser of the year.

Tables were decorated with a red pick-up truck filled with greenery and pinecones. One lucky person at each table drew a number to win the centerpiece.

President of the Lamont Woman's Club Donna Culpepper greeted everyone at the beginning of the event. Raffle tickets, lunch tickets and the door prize ticket were picked up at the entrance to the room that was filled with the 29 decorated Christmas trees.

President Lamont Woman's Club Donna Culpepper.

The Lamont Woman's Club tree was the largest tree in the group and that's where most of the ticket stubs ended up because everyone wanted to be the winner of the big tree.

One tree was a spathemed tree while another next to it was a tree for kids with games and toys for children. There was also a gift card tree adorned with a multitude of various gift cards to many Bakersfield businesses as well as some local Lamont and Arvin establishments.

When John Money was with the Kern County Sheriff's Office Lamont station, he would put together a money tree, which was always the biggest draw.

"We had 29 sponsors (decorated trees) and sold 177 lunch tickets plus over

Lamont Woman's Club member Mary Durham at Holiday Splendor.

500 raffle tickets," member Labetta Glenn said. "It was very well attended."

Anticipation was high for the Wasco travelers. Unfortunately, it wasn't meant to be. The only Was-

co member who walked away with something was Jill Drescher who drew the lucky number for the table decoration. That was fitting because she was the driver from Wasco to Lamont.

Teresa Burke students thank veterans at annual program

TONI DEROSA
Wasco Tribune

Students and staff at Teresa Burke Elementary School gave thanks to local veterans during their annual Veterans Day program.

Hosted by the Teresa Burke Elementary School Student Council, the program was presented digitally on Nov. 10 and will be available throughout November at burke.wuesd.org.

Principal Monique Goodwill, an Army veteran, greeted attendees to the 7th annual event. This year's program was a combination of a morning assembly and a video presentation.

This year's program was dedicated in memory of Danny Rueda, an Army veteran who passed away in July. He served in Korea and was the driving force behind the Veterans Day program.

Goodwill read excerpts from this year's Proclamation on National Veterans and Military Families Month.

Sadie Cruz led the flag salute. Student Council Vice President Victoria Carranza recited a poem entitled "Veterans Day."

Student Council President Nicole Heredia conducted veteran interviews.

Army veteran Rudy Castillo shared his experience in boot camp, the gas chamber and long marches.

Navy veteran Emmy Medina shared her experiences aboard a naval ship where they had Steel Beach Picnics whenever they were out at sea for more than 30 days. She explained that these picnics helped with homesickness.

Army Reservist veteran Goodwill shared her bivouac experience in which it rained the first few days and she was not a very good tent builder.

Daniel Schiedle's military experience included being in the Army for six and a half years and being stationed at White Sands Missile Range in New Mexico. He missed his family during his service time and spoke fondly about the care packages of cookies he received.

Schiedle remembered people from all over the United States. "After a while, everybody sounded the same and different accents blended," he said.

Medina served in the Navy for eight years. She was sent to the Middle East for six months. She said she met a lot of people and ate a lot of different types of food.

Medina misses the comradery when she was deployed.

"I had a great time and made a lot of good friends," she said.

At the conclusion of the assembly, the student body sang "God Bless the USA" by Lee Greenwood. Students returned to the classroom to view the video presentation.

Student Council Publicity Manager Christian Gutierrez recited a poem "Take a Moment to Thank a Veteran."

A slideshow of local veterans was

WASCO

All photos provided by Clara Acosta

Students were lined up on the grassy area for the program.

shown. Veterans highlighted were: Erick Graf, Arnold Delgado, Juan Pablo De la Torre, Raymond Linares, Ramon Arriaga, Tyler and Christina Perkins, Jonathan Martin, Raymond Rodriguez, Marlene Monarez, Kyle Spang, Todd Jerome, Jim Snelling, Monique Goodwill, Rodolfo Castillo, Emmy Medina and Daniel Schiedle.

At the conclusion of the program, Victoria Rueda spoke fondly about her father Danny Rueda. She shared that her dad was an unstoppable force of a man who wore his heart on his sleeve. He was always smiling regardless of how tough the situation was and always strived to be the best he could be.

His military life included being stationed at Fort Dixon in New Jersey before being deployed to Korea. He was a Military Custom Inspector while stationed in Korea as well as Motor Transport Operator who drove convoy trucks. She said under her dad's dark Ray-Bans that he always was a hardworking, loving, caring, goofy and very opinionated, San Francisco-loving, American-loving man who loved his family, friends, and acquaintances and was a social butterfly.

Following Rueda's memories about her father, Goodwill shared with attendees that she wanted to share her love for the military. She thanked all veterans for their service. Goodwill

Teresa Burke Elementary School Principal Monique Goodwill opened the program.

served in the United States Army and she, too, misses the comradery. She also said that she liked the discipline and organization the military provided.

The following students were rewarded for essays they had written for the competition entitled Patriots' Pen.

First-place was Hailey Barbosa from Palm Avenue who took home \$100; second-place was Khriz Echeverria from Thomas Jefferson who took home \$75. Sofia Villanueva also from Thomas Jefferson took home \$50 for third place. Alexandra Reyes from Palm Avenue took home \$25 for placing fourth, Omar Garcia also from Palm Avenue took home \$25 for placing fifth and Noah Adamak from Thomas Jefferson took home \$25 for placing sixth.

Student Council Sergeant-at-Arms Sadie Cruz led the students in the Pledge of Allegiance. A moment of silence was observed and led by Anabel Garrison. Clara Acosta recognized Petra Rueda, the spouse of Danny Rueda, who was instrumental in organizing the inaugural Veterans Day program in 2015.

Kiwanis recognize some Terrific Kids

JAMIE STEWART
The Shafter Press

The Shafter Kiwanis Club announced their honorees for Octobers' Terrific Kids, which recognizes students from the Richland School District.

The Shafter Kiwanis Club held a luncheon to honor those students who have

SHAFTER

exhibited the character traits outlined in the program's mission statement. Each month there is a different trait that students are recognized for.

Those traits include thoughtful, enthusiastic, respectful, responsible, inclusive,

friendly, inquisitive and capable.

The students honored as Terrific Kids were: Erick Sanchez and Viridiana Gervacia-Martinez from Redwood Elementary School. They were presented their awards by Principal Ivonne Hernandez and Assistant Principal Antonio Juarez.

Camilla Cordero and Jacob Olvera from Sequoia Elementary School were presented awards by Principal Janean Johnson.

October's trait was respectful. Teachers from the Richland School District nominate students for the award. Each student receives a certificate, a pencil, bumper sticker, and a t-shirt.

Erick Sanchez and Viridiana Gervacia-Martinez with Principal Ivonne Hernandez and Assistant Principal Antonio Juarez.

Camilla Cordero and Jacob Olvera with Principal Janean Johnson.

PUBLIC NOTICE NOTICE OF HEARING AND SUMMARY OF PROPOSED ORDINANCE SOLID WASTE MANAGEMENT PROGRAM SERVICE CHARGES (GATE FEE AND BIN FEE) FOR NON-RESIDENTIAL PROPERTY

On the 4th day of January, 2022, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of the Solid Waste Management Program Service Charges (Gate Fee and Bin Fee) for all non-residential property in Kern County. This Ordinance will establish a schedule of service charges for non-residential property which will be collected as a Gate Fee or a Bin Fee. The Board of Supervisors will also consider a report filed by the Public Works Department that describes the amount of the proposed service charge for waste delivered to Kern County waste disposal or transfer facilities for further handling. In accordance with this report, the proposed basic fee for non-residential waste (Gate Fee) will be increased from \$45.00 per ton to \$65.00 per ton effective July 1, 2022. A transfer fee of \$10.00 per ton will be added to the basic fee for non-residential waste delivered to any Transfer Station effective July 1, 2022. For non-residential customers using bin service from a Franchise Garbage Hauler, the Bin Fee will be increased from \$2.34 per cubic yard to \$3.38 per cubic yard effective July 1, 2022. A transfer fee of \$0.52 per cubic yard will be added if the waste is delivered to a Transfer Station effective July 1, 2022. Additionally, the Kern County Board of Supervisors (Board) may approve future rate adjustments in the Gate Fee and Bin Fee based on the fiscal year Consumer Price Index (CPI) for Los Angeles-Long Beach-Anaheim, CA (Series ID: CUURS49ASA0) without a protest hearing for five years. If, in any year, the rate adjustment approved by the Board is lower than the amount resulting from the application of the CPI, the difference may be carried over and applied by the Board to future rate adjustments. In the event the cited index is substantively changed or is no longer published, the Board will select a substantially similar index.

Any affected person may submit a written protest. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing. Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any fee set forth in the report filed by the Public Works Department or overrule

any or all objections, and shall make its determination upon each fee as described in that report. Since solid waste services using a Franchise Garbage Hauler are mandatory in Universal Collection Areas for non-residential customers, the Bin Fee is subject to a Proposition 218 Section 6 process. Should the owners of a majority of the parcels of non-residential properties located in Universal Collection Areas described in the report object to the report, the report may not be adopted and the Bin Fee utilized for non-residential property described in the report may not be adopted, however, since this increase in the fee is due to a state mandate, further consideration will be required. The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Complete copies of the proposed Ordinance and the report filed by the Public Works Department are on file for inspection with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8940 or by making a request via email at waste@kerncounty.com. Anyone wishing to present evidence or be heard regarding this matter may appear at the hearing of this matter or any continuation thereof. If you challenge the action taken by the Board of Supervisors on this matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing. Dated: November 9, 2021

Publish *Shafter Press* November 18, 25, 2021

PUBLIC NOTICE NOTICE OF HEARING AND SUMMARY OF PROPOSED ORDINANCE SOLID WASTE MANAGEMENT PROGRAM SERVICE CHARGE (LAND USE FEE) FOR FISCAL YEAR 2022-2023

On the 4th day of January, 2022, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of the Solid Waste Management Program Service Charge (Land Use Fee) for Fiscal Year 2022-2023 for all residential property in Kern County. This Ordinance will establish a schedule of service charges for residential property which will be collected along with the County's property taxes and will become a lien on the property, if unpaid. The Board of Supervisors will also consider a report filed by the Public Works Department that designates the use of each parcel of real property in Kern County as either residential with four units or less, residential with five units or more, or non-residential, and describes the amount of the proposed service charge for each parcel of residential real property in Kern County should the proposed Ordinance be enacted and the report approved. In accordance with this report, the Public Works Department proposes to increase the Solid Waste Management Program Service Charge (Land Use Fee) imposed on residential property on the tax roll for Fiscal Year 2022-2023 over the rates established for

Fiscal Year 2021-2022. The charge imposed on a parcel of property used as a single-family residence with one to four residential units per parcel will increase from \$105.00 per year per residential unit to \$180.00 per year per residential unit. Parcels with multi-family dwellings with five or more residential units will increase from \$84.00 per year per residential unit to \$144.00 per year per residential unit.

Additionally, the Kern County Board of Supervisors (Board) may approve future rate adjustments in the Land Use Fee based on the fiscal year Consumer Price Index (CPI) for Los Angeles-Long Beach-Anaheim, CA (Series ID: CUURS49ASA0) without a protest hearing for five years. If, in any year, the rate adjustment approved by the Board is lower than the amount resulting from the application of the CPI, the difference may be carried over and applied by the Board to future rate adjustments. In the event the cited index is substantively changed or is no longer published, the Board will select a substantially similar index.

Any affected person may submit written protests to the report or the enactment of the proposed tax roll billing. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing. Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any fee set forth in the report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon each fee as described in that report. Should the owners of either a majority of the separate parcels of real property or a majority of the separate parcels of residential real property described in the report object to the report, the report may not be adopted and the fee for residential real property described in the report may not be collected with the County's property taxes, however, since this increase in the fee is due to a state mandate, further consideration will be required. Otherwise, the Board of Supervisors may order the report filed with the Kern County Auditor-Controller-County Clerk, who will enter the amounts of the fee against the respective parcels of residential real property as they appear on the assessment roll. The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Generals' season ends with loss in quarterfinals

From Page 1

But, as would prove to be the case all evening, every time the Generals would score to close the gap, Boron scored in un-

Armando Loera pulls in a touchdown pass.

der two minutes to close out the half with a 28-6 lead.

The Generals started the second half on a high note, driving the length of the field. Dozhier threw a touchdown pass to Armando Loera, closing the gap to 28-14. The Shafter defense then gave the offense an opportunity with a fumble recovery on their next possession, giving the ball back to Dozhier and company.

Unfortunately, the drive ended when Dozhier attempted a pass into the endzone, but was intercepted, giving the Bobcats the ball at the 20 yard line.

The Shafter offense had a moment minutes later when the Generals were once again knocking on the door, trying to get into the endzone from inside the Bobcats' 10 yard line. Dozhier was intercepted again, giving the ball to the Bobcats. The Bobcats scored on the next possession, widening their lead.

The fourth quarter saw the Generals trying to climb out of that hole, only to have Boron match them score for score, as the Generals defense was not able to stop the Bobcats.

Elijah Lucero takes off on a big run.

6 MISC WANTED
BE WARY OF out of area companies. Check with the local Better Business Bureau before you send any money for fees or services. Read and understand any contracts before you sign. Shop around for rates.

GENERAL POLICY

1. Rates and deadlines subject to change without notice.
2. The Shafter Press and Wasco Tribune make every effort to avoid errors in advertisements. Each ad is carefully read back for approval. However, mistakes sometimes slip through. We ask that you check your ad carefully. If you should find an error, report it to the Classified Department right away by calling 661-292-5100 and asking for Classified. We regret that we cannot be responsible for more than one incorrect publication if you do not call the error to our attention. The Shafter Press and Wasco Tribune cannot be liable for an amount greater than the amount paid for such advertising.

THANK YOU FOR YOUR BUSINESS..

OBITUARIES

Max Allen Hanner Aug. 9, 1959 – Nov. 3, 2021

Max Allen Hanner went to be with his Lord doing what he loved, he was a crop duster pilot for 40 years. Max was born in Anthony, Kansas to James and Billie Hanner. During his younger years he attended Shafter schools and graduated in 1977. He loved all sports especially football and baseball. He was an avid Dodger fan and Charger fan. Max had

a quiet personality, but he had the gift of gab. Max has lifelong relationships with friends, family, and

the community of Shafter to this day. He was a man of many friends. After high school, Max attended Cal Poly SLO. While taking agriculture classes he decided to learn to fly. He returned to Shafter to work

for Inland Crop Duster for the next 35 years.

During his 35 years of flying, he become the man in the yellow plane. He touched a lot of people, he helped put food on our tables and flying was Max's passion. He was a skilled, accurate, loyal, and exceptional pilot and human being. When he was flying, he was at peace. He had gotten so good at what he did, Max had a few small roles in entertainment industry. He was our favorite local

celebrity and pilot. Max had a very generous heart. He never missed a family function, holiday, or birthday party. He always came bearing gifts with his big smile. He was the kindest and most caring person.

Max is survived by his parents, James and Billie Hanner; wife, Karen Hanner; daughter, Natasha Berry (Dustin); son, Nathan Hanner; siblings, Loree Trout (Randy) and Jay Hanner, as well as many cousins, aunts, and uncles.

Max had nine grandchildren: Alyssa, Baylee, Brody, Dakota, Hunter, Axl, Mad-dyson, Kaden and Alexie. Max is now in heaven with his son, Nealson Hanner. He will be missed by our family, friends, colleagues, and community.

Join us for a celebration of Max's life on Nov. 20, 2021, at 11 a.m. at Inland Crop Dusters, 5001 Stearman Ave Shafter, CA 93263. In lieu of gifts or flowers, donate in his name to your favorite charity.

Shonti Jessica Pimentel Aug. 3, 1976 – Nov. 7, 2021

Shonti Jessica Pimentel passed away on November 7, 2021 in Bakersfield. She was born on August 3, 1976 in Wasco, CA to Jesse and Connie Pimentel.

Shonti grew up in Shafter. She graduated from Shafter High School

in 1994. After High School she attended San Joaquin

Valley College in Bakersfield. Where she received her certificate as a medical assistant.

Shonti enjoyed cooking, running, making arts & crafts, listening to music, and being surrounded and spending time with her kids and family.

Shonti is survived by her sons Andrew Soto, Blake and Jesse Madron and

Daughter Serenity Madron. Her Brother Christopher Pimentel and sisters, Cherise Pimentel and Yvette Torres (husband Rigo Torres). Her mother Connie Pimentel and her nieces and nephews.

Shonti was preceded in death by her father Jesse M. Pimentel.

A visitation service will be held at Basham

& Lara Funeral Care, 343 State Ave., Shafter, CA 93263 Friday Nov. 19 from 6 p.m. to 9 p.m. Burial service will be held at The Shafter Cemetery

Sat. Nov. 20, 2021 at 10 a.m. A celebration of Life for Shonti will be held at The Shafter Ford Theatre at 1101 E. Lerdo Hwy following the burial.

DEATH NOTICES

Ronnie Dean Sutton, 72, of Wasco passed away Nov. 11, in Wasco. Peters Funeral Home, Wasco.

PUBLIC NOTICES

PUBLIC NOTICE NOTICE OF PETITION TO ADMINISTER ESTATE OF JENNY CUELLAR HERNANDEZ Case No. BPB-21-002901

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of JENNY CUELLAR HERNANDEZ
A PETITION FOR PROBATE has been filed by Elizabeth Castaneda in the Superior Court of California, County of KERN.

THE PETITION FOR PROBATE requests that Elizabeth Castaneda be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions with-out obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Dec. 22, 2021 at 8:30 AM in Dept. No. P located at 1215 Truxtun Ave., Bakersfield, CA 93301.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice is available from the court clerk.

PUBLIC NOTICE NOTICE OF HEARING AND SUMMARY OF PROPOSED ORDINANCE SOLID WASTE MANAGEMENT PROGRAM SERVICE CHARGES (GATE FEE AND BIN FEE) FOR NON-RESIDENTIAL PROPERTY

On the 4th day of January, 2022, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of the Solid Waste Management Program Service Charges (Gate Fee and Bin Fee) for all non-residential property in Kern County. This Ordinance will establish a schedule of service charges for non-residential property which will be collected as a Gate Fee or a Bin Fee. The Board of Supervisors will also consider a report filed by the Public Works Department that describes the amount of the proposed service charge for waste delivered to Kern County waste disposal or transfer facilities for further handling. In accordance with this report, the proposed basic fee for non-residential waste (Gate Fee) will be increased from \$45.00 per ton to \$65.00 per ton effective July 1, 2022. A transfer fee of \$10.00 per ton will be added to the basic fee for non-residential waste delivered to any Transfer Station effective July 1, 2022. For non-residential customers using bin service from a Franchise Garbage Hauler, the Bin Fee will be increased from \$2.34 per cubic yard to \$3.38 per cubic yard effective July 1, 2022. A transfer fee of \$0.52 per cubic yard will be added if the waste is delivered to a Transfer Station effective July 1, 2022.

Additionally, the Kern County Board of Supervisors (Board) may approve future rate adjustments in the Gate Fee and Bin Fee based on the fiscal year Consumer Price Index (CPI) for Los Angeles-Long Beach-Anaheim, CA (Series ID: CUURS49ASAO) without a protest hearing for five years. If, in any year, the rate adjustment approved by the Board is lower than the amount resulting from the application of the CPI, the difference may be carried over and applied by the Board to future rate adjustments. In the event the cited index is substantively changed or is no longer published, the Board will select a substantially similar index.

Any affected person may submit a written protest. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing.

Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any fee set forth in the report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon each fee as described in that report.

Since solid waste services using a Franchise Garbage Hauler are mandatory in Universal Collection Areas for non-residential customers, the Bin Fee is subject to a Proposition 218 Section 6 process. Should the owners of a majority of the parcels of non-residential properties located in Universal Collection Areas described in the report object to the report, the report may not be adopted and the

Bin Fee utilized for non-residential property described in the report may not be adopted, however, since this increase in the fee is due to a state mandate, further consideration will be required.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Complete copies of the proposed Ordinance and the report filed by the Public Works Department are on file for inspection with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8940 or by making a request via email at waste@kerncounty.com. Anyone wishing to present evidence or be heard regarding this matter may appear at the hearing of this matter or any continuation thereof. If you challenge the action taken by the Board of Supervisors on this matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing.

Publish *Wasco* Tribune November 18, 25, 2021

PUBLIC NOTICE NOTICE OF HEARING AND SUMMARY OF PROPOSED ORDINANCE SOLID WASTE MANAGEMENT PROGRAM SERVICE CHARGE (LAND USE FEE) FOR FISCAL YEAR 2022-2023

On the 4th day of January, 2022, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of the Solid Waste Management Program Service Charge (Land Use Fee) for Fiscal Year 2022-2023 for all residential property in Kern County. This Ordinance will establish a schedule of service charges for residential property which will be collected along with the County's property taxes and will become a lien on the property, if unpaid. The Board of Supervisors will also consider a report filed by the Public Works Department that designates the use of each parcel of real property in Kern County as either residential with four units or less, residential with five units or more, or non-residential, and describes the amount of the proposed service charge for each parcel of residential real property in Kern County should the proposed Ordinance be enacted and the report approved. In accordance with this report, the Public Works Department proposes to increase the Solid Waste Management Program Service Charge (Land Use Fee) imposed on residential property on the tax roll for Fiscal Year 2022-2023 over the rates established for Fiscal Year 2021-2022. The charge imposed on a parcel of property used as a single-family residence with one to four residential units per parcel will increase from \$105.00 per year per

residential unit to \$180.00 per year per residential unit. Parcels with multi-family dwellings with five or more residential units will increase from \$84.00 per year per residential unit to \$144.00 per year per residential unit.

Additionally, the Kern County Board of Supervisors (Board) may approve future rate adjustments in the Land Use Fee based on the fiscal year Consumer Price Index (CPI) for Los Angeles-Long Beach-Anaheim, CA (Series ID: CUURS49ASAO) without a protest hearing for five years. If, in any year, the rate adjustment approved by the Board is lower than the amount resulting from the application of the CPI, the difference may be carried over and applied by the Board to future rate adjustments. In the event the cited index is substantively changed or is no longer published, the Board will select a substantially similar index.

Any affected person may submit written protests to the report or the enactment of the proposed tax roll billing. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing. Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any fee set forth in the report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon each fee as described in that report. Should the owners of either a majority of the separate parcels of real property or a majority of the separate parcels of residential real property described in the report object to the report, the report may not be adopted and the fee for residential real property described in the report may not be collected with the County's property taxes, however, since this increase in the fee is due to a state mandate, further consideration will be required. Otherwise, the Board of Supervisors may order the report filed with the Kern County Auditor-Controller-County Clerk, who will enter the amounts of the fee against the respective parcels of residential real property as they appear on the assessment roll.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Complete copies of the proposed Ordinance and the report filed by the Public Works Department are on file for inspection with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8940 or by making a request via email at waste@kerncounty.com. Anyone wishing to present evidence or be heard regarding this matter may appear at the hearing of this matter or any continuation thereof. If you challenge the action taken by the Board of Supervisors on this matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing.
